Helping Children Realize Potential

Fall 2018 QO Special Needs Indoor Swim Program

SPORTS PLUS offers a full spectrum of swim instruction for participants with a wide variety of skills. SPORTS PLUS is a non-profit organization that offers uniquely structured coed sports programs for verbal children able to follow simple directions between the ages of 5 and 21 with mild to moderate autistic spectrum disorders, ADD/ADHD and other developmental disabilities. The SPORTS PLUS swim program is designed for children whose capabilities fit between existing mainstream swim programs and adaptive swim programs.

The SPORTS PLUS swim program features a blend of traditional and unique skill development techniques, carried out by experienced instructors and their assistants who are backed by special education professionals. We offer one on one private lessons. Group lessons are offered upon approval. We also offer a one hour swim team environment, at the QO location only, for those that are ready for a more endurance based practice (upon approval). Our staff is fully capable of accommodating children with a wide variety of swimming skill levels. Whether the initial goal for your child is comfort and safety in the water, acquiring basic swimming skills, stroke technique and improvement or swim team training, SPORTS PLUS has a class for you! Fun, proper technique, social skills and safety are stressed at all classes. Each class features customized instruction that is designed to be enjoyable and successful for all participants. The same instructors are present at all sessions to encourage a connection between participants and instructors. Typical siblings are also encouraged to enroll. The end result is a safe, successful, rewarding and exciting physical and social experience for children and their families.

Classes will be held at the **Quince Orchard Swim and Tennis Club**, located at 16601 Roundabout Way, Gaithersburg, MD 20878. Class space is extremely limited, so you are encouraged to register immediately. If you have any questions or need more information go to www.playsportsplus.org or contact the SPORTS PLUS program at (301)452-3781 or by e-mail at sportsplus@comcast.net.
